Please go to the page called story starter. Read it carefully and have a think about your ideas. You might want to make a short plan before writing the story about the little girl.

Learning Log Task - Do 2 out of the 3 tasks to end this week

1. Draw a picture of the little girl in your story. Try to put her in the setting of your story. Draw lots of details in the background as well as on her. What is she wearing? What is the expression on her face? You can colour it in or paint it - whatever you have at home!

2. Banksy drew this picture during the first lockdown. Could you make an ideas sheet to show all the people in the Isle of Man who might be being a hero during lockdown?
Can you re-draw the Banksy but holding someone else?

3. Imagine you have been asked to design a new building to inspire the residents of your town or city. Design your architectural masterpiece and perhaps make a model of it!
